

init_XPT2046

```
graph LR; A[init_XPT2046] --> B[send_control_byte]; B --> C[send_data];
```

A flowchart illustrating a three-step process. The first step, 'init_XPT2046', is contained within a gray rectangular box. A blue arrow points from this box to a white rectangular box containing the text 'send_control_byte'. Another blue arrow points from the 'send_control_byte' box to a final white rectangular box containing the text 'send_data'. All boxes have a thin black border.

send_control_byte

send_data
